MARK P. STONE (Date of Deposit)
Reg. No. 27,954

As discussed in the Information Disclosure Statement filed on May 23, 2006, the claims of the PCT application were amended before the International Bureau, and the claims of the United States National Phase correspond to the PCT claims, as amended before the International Bureau.

The International Preliminary Report On Patentability addresses the PCT claims as amended before the International Bureau, and concludes that amended PCT claims are patentable over the two references cited in the International Search Report, and as identified in the Information Disclosure Statement filed on May 23, 2006. The claims of the United States national phase correspond to the amended PCT claims.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Mark P. Stone', with a stylized flourish at the end.
